Response Due Date
07/06/2011

IDENTIFICATION NUMBER: C00000935

REFERENCE: MARCH MONTHLY REPORT (02/01/2011 - 02/28/2011)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule B of your report discloses disbursements to "Automatic Data Processing" totaling \$115,652.02 for "Payroll". Please be advised that when itemizing disbursements to companies for payroll services, if the payment to the salary recipient aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the individual receiving the salary, as well as the date, amount, and purpose of the original disbursement must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR § 104.9)
2. Schedule B supporting Line 21(b) of your report discloses disbursements to credit card companies. When reporting payments to credit card companies, if the payment to the original vendor aggregates in excess of \$200 in a calendar year, you must itemize the name of the original vendor, address, date, amount, and purpose as a memo entry as well as clearly identify the credit card payment to which each memo entry relates. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR § 104.9)
3. Schedule B supporting Line 21(b) of your report discloses reimbursements to individuals for expenses other than travel and subsistence. Please be advised that when itemizing reimbursements to individuals for goods or services, if the

payment to the original vendor aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR §§ 104.3(b)(3)(i) and 104.9, and Advisory Opinions 1992-1 and 1996-20)

4. Schedule B of your report discloses reimbursements to staff for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the related payments to any one vendor aggregate in excess of \$200 for the calendar year, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

5. Schedule B of your report discloses disbursements with the purposes of "stipend" and "per diem" that appear to be made from petty cash. Please be advised that disbursements from a petty cash fund to any person or vendor for any single purchase or transaction may not exceed \$100. If payments to the original vendor exceed \$200 in a calendar year, a memo entry including the name of the original vendor as well as address, date, amount, and purpose of the original purchase must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (2 U.S.C. § 432(h)(2) and 11 CFR § 102.11)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
